Instructions for Snow Routes

1. If a Snow Route is in effect, the announcement will be broadcast on all the major new and radio outlets currently used by Pocahontas County Schools.
2. The Snow Route announcement will be broadcast on School Messenger to all of the Staff and Students of Pocahontas County Schools.
3. Snow Routes will only occur on 2 or 3 hour delays or in special circumstances.
4. The Snow Route that runs in the morning will also run in the evening. **NO REGULAR ROUTES (Morning or Evening) WILL BE RUN ON A SNOW ROUTE DAY!**
5. Students may ride a different bus rather than their normal bus.
6. If a student cannot get to school because a bus was not available, the parent must write an excuse that the bus was not running. The excuse is necessary for an excused absence. Obvious abuses of this situation will be handled by the Attendance Director.
7. Parents may transport their children to school but will have to either pick them up at the end of school day or call the bus driver and make arrangements for the child to be dropped off at a Snow Route stop. **NO REGULAR ROUTES (Morning or evening) WILL BE RUN ON A SNOW ROUTE DAY!**
8. There is no way to practice Snow Routes. Our first attempt of the new school year may not be as refined as we want it to be. The efficiency will get better as we run them more often.
9. The ultimate decision as to whether a child rides the bus and attend school lies solely with the parent. If the parent deems it too dangerous for their child to go, then the child will be absent. But it is the sole responsibility of the parent to present an excuse as to the reason for their child's absence.
